

Storyteller Crafting Self-Assessment

List three reasons you do pro-life work.

Name one or more personal experiences that have influenced your pro-life views.

When you consider these reasons and experiences, what emotions do you feel?

Choose one experience to describe in sensory detail.

Where were you? Who was there? What did you see, hear, or feel?

Are there elements of that experience that may feel unfamiliar to others? Brainstorm some metaphors to make strange elements more relatable.

What is the one clear takeaway for listeners to remember from your experience?
